Open Access Policy

London, July 2015

1. The Myrovlytis Trust (MT) is committed to making its research freely available, in order to maximise its impact by timely and unrestricted dissemination.
2. As of August 2011, all papers which communicate research funded by the MT and have been accepted for publication in a peer-reviewed journal are to be available on an open-access basis.
 - 2.1 Copies of the papers are to be archived on Europe PubMed Central within six months of publication.
 - 2.2 The MT encourages authors and publishers to license research papers such that they may be freely copied and re-used, provided that such uses are fully attributed.
3. Where required, the MT will provide appropriate funding to cover open-access fees.
